

LOKKUM

'Lokkum' has two meanings - In its truest sense it refers to the famed soft fragrant sweet - Turkish Delight. However, on the streets of Istanbul, 'Lokkum' is a term that equates to the texture and tenderness of the finest meat; the very meat we serve for your delight here at Lokkum Restaurant.

We prepare a fresh traditional Turkish menu using only the finest ingredients and the Chef's knowledge that has developed over generations.

To do these unctuous cuts of meat justice, they are offered alongside an array of fine wines from around the globe.

Our wine list has been composed with our food in mind to ensure a harmonious dining experience. You will find classics and favourites alongside lesser known but equally exciting wine regions from across Europe, Turkey, and the New World.

We have also curated a small but perfectly formed fine wine list and a selection of magnum bottles including refreshing rosé, rich reds and, for those of you in celebratory mood, magnums of Prosecco and Champagne!

Relax and enjoy.
